

## ENTHUSIASTIC PEOPLE.

### Populists Working Like Beavers in the Good Cause.

Great Enthusiasm Among the People in All Parts of the Country—Prospects Brighten as the Contest Approaches Nearer.

#### Fighting For Alabama.

The populists have taken a new tack in their effort to get recognition in the appointment of election managers in Bullock county, Ala. They had the probate judge and clerk arrested for appointing republicans instead of populists to represent the opposition to democracy. At Huntsville they have filed an application before Judge Bruce in the United States court praying that the appointing board in Bullock county be required to vacate the appointments heretofore made in certain precincts, alleging that in some precincts the people's party have no representatives, and in others their managers are democrats. Judge Bruce set a day for a hearing of the application for mandamus, and cited the defendant officials to appear at that time.

#### Kansas All Right.

Hon. Jerry Simpson, of Kansas, in a late interview said: "That democratic victory in Georgia is not going to have the least effect on the vote in Kansas. They cannot get people's party men in Kansas to go back into the republican party by telling them that people's party men in Georgia went back to the democratic party. Because one man makes a mistake is not an argument why another man should make one. Kansas, I tell you, is all right. The entrance of Ingalls into the campaign will have the effect of driving all the democrats in Kansas into our party." After sizing up Ingalls, Mr. Simpson continued: "I have made fifty-seven speeches in Kansas and expect to make twenty-six more before the campaign is over. The Weaver electoral ticket will have 50,000 majority, and 98 per cent. of the voters will give their suffrage to the fusion ticket, which means an entire defeat for the republicans. The republicans have the railroads to carry voters to meetings free, and yet their meetings are small. They also brought their big men—Alger, Foraker and others—to stump the state, but it was of no avail. Kansas is all right, and I know what I am talking about."

#### Old Soldiers in Line.

Col. W. A. Harris, populist candidate for congressman at large, spoke at Haverhill, Kan., on the 18th. The people paraded the streets headed by a brass band. Col. Harris was met at the depot by a procession of citizens 100 strong and escorted uptown. Among those in line were fifty old soldiers who fell into line and marched up the street in two ranks, one headed by a union soldier carry the stars and stripes and the other by an ex-confederate, who also carried the national emblem. The meeting was presided over by a union veteran, a member of a Wisconsin regiment, and was a grand success. Col. Harris spoke for over two hours in the open air and was listened to by an audience of 1,000 people.

#### Rousing Up Missouri.

A prominent people's party man has this to say of the prospect in Missouri: "We are going right along and the most conservative admit that we will poll at least 100,000 votes in the state. We hope to defeat M. S. Hall, who is running for congress in the Second district. Our man in that district, Mr. J. L. Jackson, is a good speaker and campaigner, so much so that Hall has flatly refused to meet him in joint discussion. In the Third district the people's candidate, R. M. Reese, is making a vigorous canvass against his opponents with fair prospects of success. The state ticket is composed of good men who are able to defend themselves upon the principles they represent upon the stump. Mr. Leverett Leonard, candidate for governor, has made several speeches throughout the state and always has large crowds wherever he goes. We expect to elect several congressmen and a large number of state representatives. Altogether I can say that Missouri is coming to the front in the reform movement nobly."

#### Making It Warm.

The populists' state central committee of Kansas has made four assignments for Gen. Weaver in that state and will strive to make the Weaver meetings the largest political gatherings ever held in Kansas. They will be held right at the close of the campaign and the tour through the state will be a triumphal march, unless the committee is seriously disappointed. Gen. Weaver will make his first speech in Topeka, November 3. November 4 he will speak at McPherson, the home of the republican gubernatorial candidate; November 5 at Arkansas City and November 7 at Parsons. Gen. Paul Vandervoort, of Nebraska, ex-commander-in-chief of the G. A. R., will make twelve speeches in the state for the populist ticket. Col. Morris L. Wheat, of Iowa, national lecturer Knights of Labor, will also make twelve speeches.

#### A Fake.

Mrs. Lease repudiates the interview reported to have been had with her and published in the Chicago Inter Ocean and which has been sent out all over the country as republican campaign literature. It shows to what desperate straits the old party has been driven in order to keep aloft a sinking craft.

#### Kansas Rallies.

Jerry Simpson spoke to 3,000 people at Leavenworth. He talked for two hours and was listened to with great attention. It was pronounced the best political speech ever delivered in the city. On the same evening Judge John Martin, of Topeka, spoke to 3,000 people at Wichita, in the interest of the populist ticket. Preceding the speaking there was a torchlight parade and fireworks display by the ward marching clubs. Twelve hundred torches were carried and there were more than that many in sight who could not be supplied with torches.

## Texas Workers.

The populists of Texas have men in every county actively at work making a house to house canvass so as to arrive at an accurate measurement of their strength in the state. This poll has about been completed, but will be revised before given to the public. The figures are expected to open the eyes of the four or five kinds of democrats now extant in Texas, and to correspondingly cheer the hearts of populists everywhere. Nugent's strength as developed by the poll will not fall short of 130,000.

## A Great Day.

Wednesday, October 19, was a great day for the people's party in southern Kansas. At Columbus they gathered to the number of 10,000 to hear the political issues discussed by Hon. L. D. Lewelling, candidate for governor; T. Johnson, candidate for congress in the Third district, and Hon. S. S. King, of Kansas City, Kan. A prominent feature of the day was a monster parade, there being about 5,000 people, 1,000 teams and ten bands of music in the line.

## Nebraska Congressman.

Robert L. Wheeler has accepted the populist nomination for congress in the Second Nebraska district. Mr. Wheeler will make a canvass that will educate the voters in political economy. His campaign will be one of education instead of an attempt to evade the living issues. The platform of the party will be explained. The objects and aims of the party will be told to all who will go and hear him speak. His mastery of ability as an orator practically insures his election.

## Against the Monetary Commission.

The Farmers' Alliance at Bellevue, Tex., passed a resolution which disapproves of the action of congress in passing an act providing for an international monetary commission.

## Mrs. Lease Denies.

Mrs. Lease telegraphs as follows in regard to a garbled report of her late interview with a Chicago Inter Ocean correspondent. The dispatch is dated Mount Pleasant, Ia., October 18: "The special going the rounds of the press in regard to an interview in which I am reported to have advised the populists to vote for Harrison, or that a vote for Weaver was a vote for Cleveland, is unqualifiedly false. I would consider it a public calamity for either Harrison or Cleveland to be elected."

## Ticket Filed.

The people's party of Missouri filed their electoral and state ticket with the secretary of state on the 17th.

## Rally at Garnett, Kan.

The populists had a grand rally at Garnett, Kan. There was a parade in the day time, and Mr. Lewelling, candidate for governor, delivered addresses in the afternoon and evening.

## Texas Certain.

H. L. Bentley, state campaign chairman of the people's party of Texas, expresses himself as well pleased with the outlook and confident of Nugent's election for governor.

## For Weaver.

Hon. A. E. Thacher, a prominent democrat of Cherry county, Neb., recently told an Omaha reporter that a majority of the democratic vote of his county would be cast for Weaver and Field.

## A Great Meeting.

On the evening of the 17th the people's party had a grand demonstration at Emporia, Kan. Notwithstanding threatening clouds and drizzling rain a procession consisting of over 100 mounted men and hundreds of wagons, with several bands, paraded the streets with banners flying and assembled in Soden's grove to listen to speeches by Jerry Simpson and others. In the evening the Whitley opera house was crowded to the utmost capacity to hear the speakers.

## After the Postmasters.

George W. Blake, chairman of the independent state committee of Nebraska, proposes to make charges affecting the postal service. He claims that the independent committee has experienced great trouble in receiving and sending mail. Of late the committee has been keeping tab, and it has a list of 400 letters mailed from headquarters which have never arrived at their destinations. Notice to local committees of assignment to their towns of public speakers have been delivered long after the date fixed for the meetings. Mr. Blake says the trouble is that many postmasters are too partisan.

## "Way Down in Tennessee."

Over 2,000 people were present at a recent populist meeting at Clarksville, Tenn., from Montgomery, Davidson, Stewart, Dickson, Cheatham, Robertson and Houston counties in Tennessee, and Christian, Todd and Logan counties in Kentucky. Gov. Buchanan, the populist candidate, spoke. A report had been circulated that he was to be rotten egged and the populists were there prepared for an emergency but no disturbance was raised.

## Texas in Line.

H. L. Bentley, chairman of the Texas people's party state central committee stated in a late interview that there are 3,000 people's party clubs in the state, and that he receives a weekly report from the chairman of each club. He asserts positively that Judge Nugent the people's party candidate for governor, will be elected by a large plurality over Clark and Hogg. He bases his opinion on the report coming from every section of the state and personal observation.

## Weaver in Illinois.

Gen. Weaver addressed 6,000 persons in the public square at Mount Vernon, Ill. Large delegations attended from neighboring towns, and it was the largest and most enthusiastic gathering held there during the campaign. It is believed that the party will poll a heavy vote in that county, and that their principal strength will come from former democrats.

## Weaver in Iowa.

Gen. Weaver addressed a large meeting at Des Moines, Ia., on the 19th. Mrs. Lease and other speakers also addressed the people.

### Kansas City Grain Market.

KANSAS CITY, Mo., Oct. 24.—All buyers avoided low grade wheat today and while there was no decline in No. 2 hard, prices of No. 2 and 4 and rejected were 1 to 2c lower. The market on all low grades, soft and hard, was very unsettled. No. 2 soft was 1c lower, and still 1 to 2c above the St. Louis price. One lot of 25,000 bu. No. 2 hard of store sold early at 61c, but after that bids were all too low to work. A sale of 5,000 bu. p. t. for direct export was reported. Elevator men paid 4c less for No. 2 hard wheat than it sold for to go out in original car lots.

Prices were quoted as follows: No. 2 hard wheat, old, 57c; new, 58c; No. 3 hard wheat, old, 56c; new, 57c; No. 4 hard wheat, old, 55c; new, 56c; rejected hard wheat, 49c to 50c; No. 2 red wheat, 61c to 62c; No. 2 red wheat, old, 59c; new, 60c; No. 4 red wheat, 49c to 50c.

## TWO GREAT REMEDIES.

The human citadel is open to attacks from two sources and aside from accidents these two are the avenues from which all of the maladies that afflict the race spring. The first of these are what is known as the excretory organs—the lungs, the kidneys and the skin. These suffer from congestion which takes the form of colds. Starting from what is called a cold the maladies that result are wide spread ranging from a cough to consumption. They attack all ages and all stations. No one is free from these troubles. There is, however, a remedy that is a safeguard. This is REID'S GERMAN COUGH AND KIDNEY CURE. It contains no poison, and it will heal any form of lung trouble or any malady that arises from a cold. The other class of disease arise from derangement of the digestive organs and result in constipation. When the bowels do not act the stomach soon refuses to digest the food and we are troubled with indigestion and a long train of disorders that embrace a large range of maladies. THE LAXATIVE GUM DROPS will correct any difficulty of this sort. They contain nothing deleterious, but are safe and pleasant. Get them of any dealer. SYLVAN REMEDY CO., Peoria, Ill.
